

**premier source for
intelligent lecterns**

rich media platforms

ILS SpeakersCorner lectern family is designed to last a lifetime.

Basic ILS24, white coated

ILS delivers remarkable open architecture lecterns or e-podiums in thick aluminum to fit your needs:

- interactive lecturing and training
- annotating on a large monitor
- taking inputs from other equipment
- recording and streaming
- interacting on 2 monitors to 2 projections
- adding a document camera
- using integral room control
- adapting audio to the location
- assuring ADA/DDA compliant access

ILS24, Closed RAL9006/9007 coated.

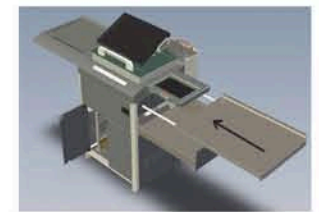

ILS24HF

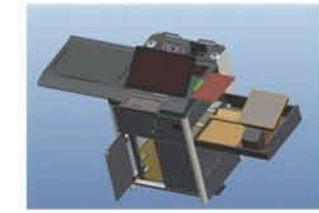

ILS24

- Rotate touch panel
- pull out microphone
- fold down drawer cover
- ADA/DDA compliance

Add large side table to the ILS 24

Add Wolfvision visualizer + AMX12" drawer

Add custom engraved logo

Configurations : 2 principles:

1. ILS16/ILS18/ILS24 are working right out of the box as delivered from ILS
2. Self-integrated/adapted to client specifications by professional AV integration companies.

The basic configurations HX and HX12 are modular and flexible to add later components and upgrades to be field-installed, incl. the main interaction monitor, control and switching systems, audio components and PC [s].

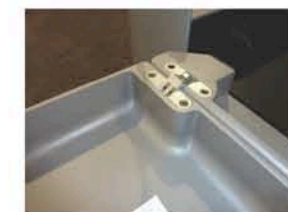

Damaged outside parts can be unscrewed and repaired or replaced.

Basic Specifications	ILS16HX	ILS18HX	ILS24HX
Stylish thick aluminum covered cabinet with side doors and drawer on 1-2 front rollers			
Footprint	42 x 71 cm	42 x 71 cm	66 x 77cm
Span (when open)	131 cm	162 cm	168 +33 cm
Rack space/internal depth	9 + 2RU's / 39 cm	9 + 2RU's / 39 cm	11RU's /65 cm
Monitor size	16" W, 17", 19"W	22"W - 24"W	17" + 22"W
Microphone sockets	1-2	1-2	1-2 + light
Cable cubby 6 cables / power socket	yes	yes	yes
Locking system	key-lock top/user door	key-lock top/user door	RFID reader/EM locks
Control system	optional	optional	6 buttons
